Project Title: Johnson Pier Modification (Lake and Streambed Alteration Agreement EPIMS Notification No. PLA-17093 R2)

Project Location: The project is located at Lake Tahoe, in the County of Placer, State of California; and is an existing residential pier associated with 6924 Pomin Ave., Tahoma, CA 96142. The project site is approximately centered at Latitude 39.06972, Longitude -120.12979 (WGS84 datum, decimal degrees).

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement EPIMS Notification Number PLA-17093 R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Gary Johnson.

The project is limited to the widening of an existing pier to ten feet, conversion of a catwalk to make it adjustable, and installation of a boatlift. In total, one (1) 10 3/4" piling, nine (9) 4" fenders, and two (2) 1 1/2" supports will be removed (total of 1.4 square feet) and replaced with one (1) 10 3/4" piling, two (2) W10X49 flange beams, three (3) 2 1/2" fenders, four (4) 2" supports, and three (3) 4x4" tube piling will be installed (total of 1.4 square feet). An amphibious barge with pile driver and crane will be used to complete the project. Caissons will be installed around the piling as necessary to control turbidity in the immediate project area. All debris and staging will be contained on a floating barge. All material transport will be via barge and loaded/offloaded at Obexer's Marina. The construction is estimated to be completed within eight weeks of commencement.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: Gary Johnson

Exempt Status:

- Categorical Exemption. Type – Class 1 and Class 4; California Code of Regulations, title 14, sections 15301 and 15304

Reasons why project is exempt: The project is limited to the minor alteration of an existing private residential structure involving negligible or no expansion of existing uses. The project involves minor alterations to the lakebed that do not include the removal of mature or scenic trees.
